

# Film: To Serve With Pride

***“Sexual exploitation and abuse by UN and related personnel represents a catastrophic failure of protection. It brings harm to those the UN and its partners are mandated to serve and also jeopardizes their reputation.”***

The film provides clear information on the rules with which all people serving the UN have to comply, as stated in the Secretary-General's *Bulletin in Special Measures for Protection from Sexual Exploitation and Abuse (ST/SGB/2003/13)*.

This 20-minute film was made to raise awareness among United Nations and related personnel about how acts of sexual exploitation and abuse impact individuals and communities.
